

The Manawatu Branch of the Royal Society of New Zealand is a regional constituent organisation of the RSNZ. Our aim is to publicise science and technology and provide interesting and topical talks for our members and the public of the Manawatu. All our talks are free and the public are invited to attend. The Branch is registered with the Charities Commission (CC44182).

RSNZ MANAWATU ACTIVITIES INCLUDE

- Monthly public meetings are held at Te Manawa. Some are combined with other societies.
- A monthly newsletter giving members details of meetings and selected local news items. Members may choose to receive this electronically or as printed copy.
- The Manawatu Lecture, our annual prestigious lecture describing an aspect of science relevant to the historical and future development of the Manawatu.
- Electronic notification of meetings to anyone interested (see below).
- Regular assistance with, and prizes for, the Manawatu Science & Technology Fair.
- The Council makes nominations for appropriate awards.
- Encouraging members to adhere to the RSNZ Code of Ethics.
